Self-contained ice maker system Daily production up to 60kg

Commercial Ice & Water Dispenser | One-Touch Perfection, Chill Redefined
 Designed for premium dining and leisure venues, this intelligent dispenser features a triple-mode system that effortlessly switches between ice-only, chilled water, and ice-water blend at the touch of a button. With adjustable ice thickness (1-3 settings), it creates the ideal nugget ice—firm yet yielding, with 10% moisture content—to cool drinks rapidly without diluting their authentic flavor.

Output: 60kg/24h Color:Stainless steel

Features & Plus

- Instantly select pure ice, ice-water mix, or pure water to suit bar service, exhibition catering, hotel hospitality, and more.
- Precision-cutting technology delivers uniform nuggets, between cubed and crushed ice, for faster cooling and a soft, enjoyable mouthfeel.
- Low-melt ice structure maintains consistent chill, keeping beverages like fresh juices, specialty coffees, and yogurts flavor-rich longer.
- High-efficiency continuous ice production meets peak demand, ideal for upscale venues where quality and reliability matter.

Testing Conditions

24h icemaking test conditions:
 room temperature 21 C,
 water temperature 10 C.
 In case of any discrepancy, the actual product shall prevail.

Ice Shape

- Nugget Ice

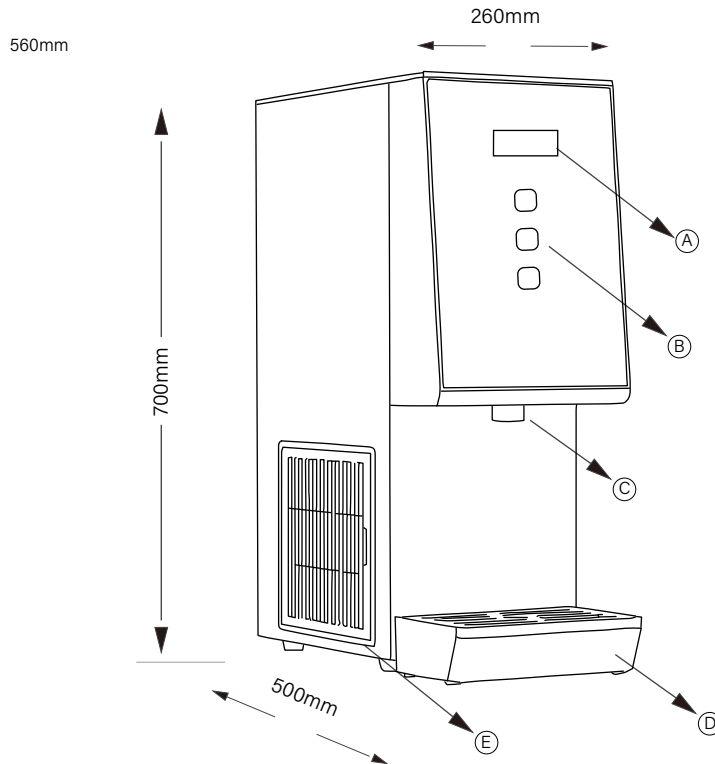

Key Performance Indicators

- Design Life: 150,000 cycles
- Core Components Life: 5 years
- Annual Failure Rate: ≤1.5 times (field technical support provided)
- Water Output Error: ± 5%
- Ice Discharge Temperature Error: ± 3 °C

Certifications available for this model

Connections

- (A) LED screen display (B) Operation panel (C) Outlet for ice cubes / ice water
(D) Water collection box (E) Dust net

Technical information

Machine dimension	260x500x700mm
Rated power/current	300W
Rated frequency	50Hz
Refrigerant	R209
Cooled type	Air-cooled

Machine Weigh	30kg
Rated voltage	220V
24hour per day capacity	60kg/120.2lb
Ice shape	Nugget ice

Storage and installation

Storage temperature: 5 to 50 °C Storage humidity: 10% to 70% Operating ambient temperature: 5 to 40 °C ambient humidity: 10% to 80%
inlet water pressure: 1-5.5Bar Inlet water hardness: 0-8°DH Waterproof rating: IPX3

Implementation Standards

GB4706.1-2005 / GB4706.36-2014 Production License Number: (Guangdong) XK01-302-1066
